DZOME®

SPA & WELLNESS COLLECTION

Sculptures you can use

Signature pods and structures for your spa and spa-garden projects — designed and manufactured by DZOME.

DZOME®

Contents

01 The Swim-Up Bar Canopy

02 Craftsmanship

03 The Jewel

04 Garden Structures

05 Completed Project

01 — THE STRUCTURE

DZOME 5.5 Swim-Up Bar Canopy

INCLUDED

5.5m diameter canopy for the end of a swimming or hydrotherapy pool

Overlapping diamond cladding and large pool-facing opening

Canopy over swim-up seating, rear staff entrance, architectural finishes

OPTIONAL / BY OTHERS

Bespoke back-bar shelving — optional extra

Bar counter and equipment, concrete foundations, decking and pool works — by others

DZOME®

The swim-up bar after dark

A signature guest experience — and a strong backdrop for photography, video and marketing.

DZOME®

02 — CRAFTSMANSHIP

Built Precedent: DZOME Playhouse

A playhouse designed and manufactured by DZOME, demonstrating the construction approach and detailing used across the spa collection.

CLADDING

High-quality 12mm cement fibreboard with a luxury pearlescent green and purple paint finish

The finish makes some panels look green and others purple, changing with viewing angle and time of day

Proven weatherproof and keeps itself looking clean with little maintenance

Designed and manufactured in-house by DZOME

THE JEWEL

BY DZOME

A LUXURY SOCIAL POD
FOR SPA, WELLNESS
AND LEISURE SPACES

SOCIAL LOUNGE

SPA RETREAT

DRINKS & DINING

WELLNESS ESCAPE

THE JEWEL
BY DZOME

03 — THE JEWEL · CONSTRUCTION

Brushed Gold & Clear Light

Brushed gold aluminium composite panels form the faceted shell

Polycarbonate glazing between the facets, with glazed double doors

Solar-reflective roof — the gold facets reflect solar gain, keeping the interior comfortable on sunny days

03 — THE JEWEL · INSIDE

360° Views of the Garden

THE JEWEL BY DZOME

Polycarbonate facets wrap the pod, opening views around the garden from every seat.

Wraparound seating and a central table for social drinks, dining and relaxation.

Integrated lighting makes the pod glow across the garden after dark.

DZOME®

04 — GARDEN STRUCTURES

For the Spa Gardens

DJ EGG & Refreshment Station

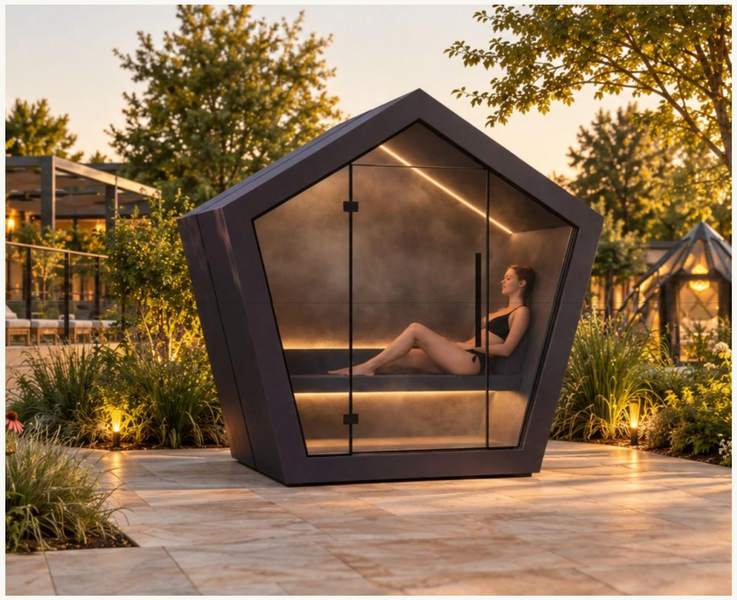

DJ EGG BY DZOME

Compact 2.5m elevated structure. The front opening works as a DJ position or a serving counter.

Water Sculpture

Stainless steel diamond panels over a circular stone pool. Internal lighting and pump supplied by DZOME.

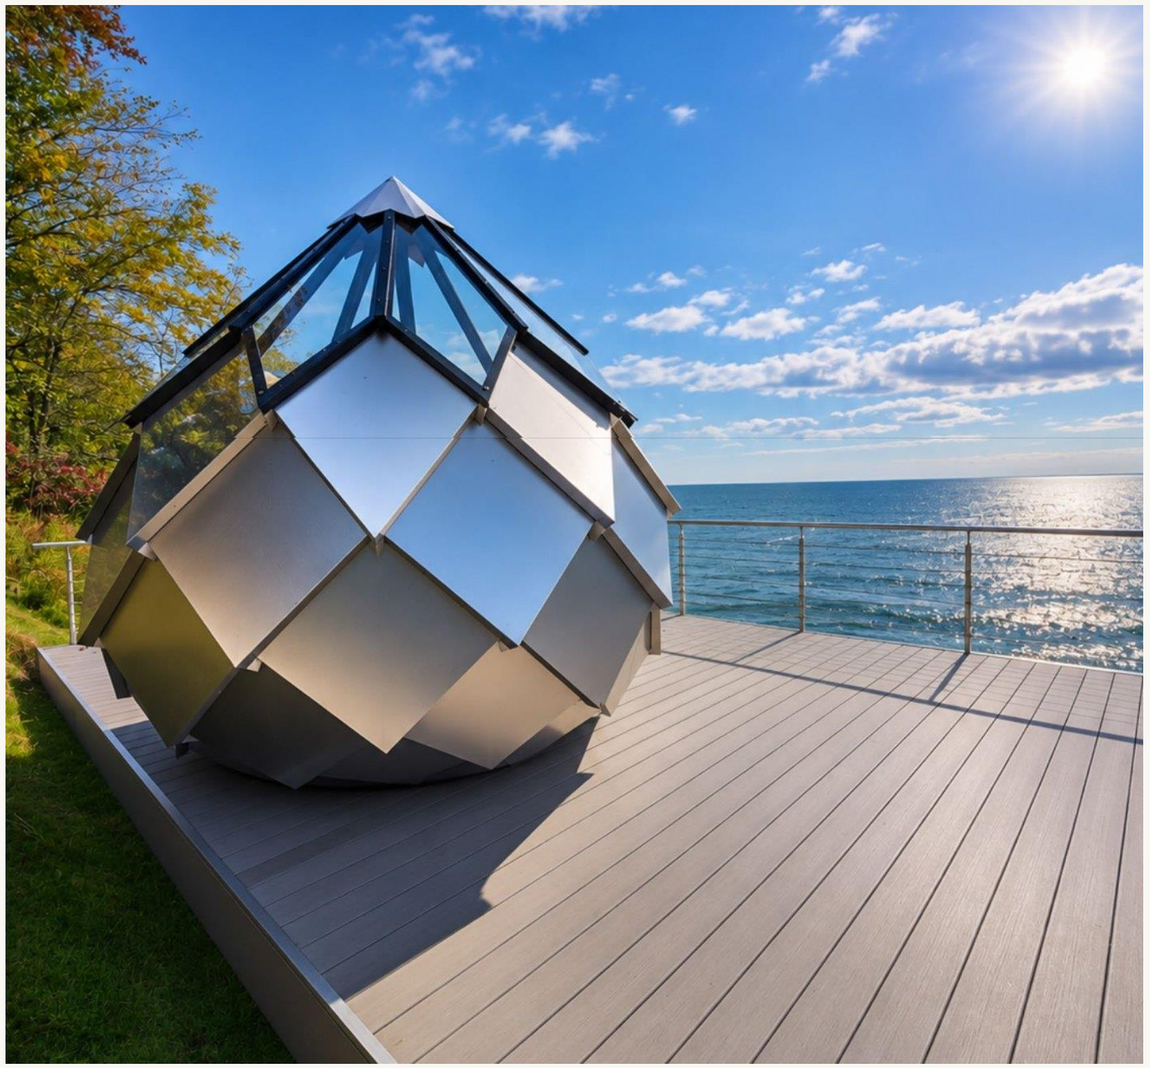

Pentagon Steam Room

Waterproof cement fibreboard sandwiching thick insulation, with an ergonomic backrest.

05 — COMPLETED PROJECT 1 / 2

Overlooking Lake Ontario

A completed DZOME pod on a lakeside deck, with stainless steel facets and a glazed crown. The same structure as The Jewel, here in a stainless finish with green upholstery.

05 — COMPLETED PROJECT 2 / 2

Inside the Pod

Wraparound upholstered seating, terrazzo floor and a glazed crown that opens views to the sky.

DZOME®

Thank you

We’d welcome the chance to bring DZOME pods into your next spa or spa-garden project.
